Dear Sir

I am writing to apply for the post of Junior Software Engineer (Star Coder Program'16) known from Chairman Office, Department of Computer Science & Engineering, University of Dhaka.

As you will see from my enclosed CV I am currently a 4th year student in CSE department of University of Dhaka.

I am committed to pursuing a career in computer science and engineering. I am particulary interested in your post as it provides opportunity to work with your engineering team to develop applications and to solve client's queries for both local & foreign. In addition to my skills and experience as a student, I would bring to the post a proven ability to deal successfully and tactfully with your team and clients.

I look forward to hearing from you.

Yours faithfully

Md.Al-Helal
